CHAPTER I: INTRODUCTION

The **FCS System User Manual** is designed to provide users with a comprehensive guide to effectively utilizing the **FCS system**. This manual serves as a reference document to help users understand the system's functionalities, features, and processes to ensure smooth operation and efficient task completion.

By following the instructions in this manual, users will be able to navigate the system with ease, perform necessary actions, and troubleshooting common issues. The manual is structured to accommodate both new and existing users, offering clear step-by-step guidance for system access and usage.

Purpose

The purpose of this manual is to equip users with the essential knowledge required to maximize the benefits of the **FCS system**. It provides:

- **A detailed overview of the system's functions and capabilities** to help users understand its key features.
- **Step-by-step instructions** on accessing and operating the system efficiently.
- **Guidelines on alternative modes of operation and contingencies** in case of system issues or errors.
- **Best practices and recommendations** for optimal system use.

This manual ensures that users can confidently navigate the system while maintaining security, accuracy, and efficiency in their tasks.

Contact Information

If users require further assistance or encounter any issues while using the **FCS system**, they can contact the **Federation of Investment Managers Malaysia (FIMM)** for support.

Support Contact Details:

 **Email:** itsupport@fimm.com.my

 **Website:** <https://www.fimm.com.my>

The Consultant Management Module is responsible for handling the registration, profile maintenance, compliance, and operational processes for consultants within the FIMM Registration System. This module ensures that consultants meet regulatory requirements, maintain compliance, and manage their professional status efficiently.

Sub-Modules of the Consultant Management Module:

1. **First Time Login** – Guides for Group B & C in setting up their accounts.
2. **Registration** – Facilitates the registration of new consultants (Group A), including identity verification and document submission.
3. **Appeal for Exam Result** – Provides a process for consultants to appeal their examination results.

	Project	Reference	File	Version	Date	Page
	Federation of Investment Managers Malaysia (FIMM)	ZANKO/FIMM/UM/V0.1	User Manual Document	1.0	24/03/25	12

4. **Appeal for Fee Waiver** – Enables consultants to request a waiver for specific fees.
5. **Profile Maintenance** – Enables consultants to manage and update their personal and professional details.
6. **Variation of Registration** – Allows consultants to modify their registration details or update their associated distributor.
7. **CPD** – Consultant to attend training and obtain CPD points for their Renewal and Re-registration.
8. **Renewal** – Manages the annual renewal process for consultants, including compliance checks.
9. **Appeal for Revocation** – Facilitates the appeal process for consultants whose registrations have been revoked.
10. **Forget Password** – Provides a password recovery process for consultants.

System access

The FCS system application is accessible only to registered users. Each user must use a unique User ID and password to log in securely. To access the system, users must navigate to the **main login page** (<https://fcs.fimm.com.my>) and enter their credentials.

Users from **Group A** will need to create a new account from the main login page (Chapter III, Section F Registration). Users from **Group B and C** will be required to activate their account (Chapter III, Section A Account Activation).

For security reasons:

1. Users should keep their login credentials confidential.
2. Passwords should be changed periodically to enhance security.
3. In case of forgotten credentials, users can use the **"Forgot Password?"** option to reset their password.

Steps to Open the FCS System Website:

1. **Launch your web browser** (Google Chrome, Mozilla Firefox, Microsoft Edge, etc.)
2. **Enter the FCS System URL** in the address bar and press **Enter**.
