Dear Sir/Madam,

Invitation to Book Launch: *Investing in Islamic Funds – A practitioner’s Perspective* by Datuk Noripah Kamsu

FIMM is proud to introduce *Investing in Islamic Funds*, a book that elaborates Islamic Funds from a practitioner’s perspective.

We realise that the knowledge about Islamic Finance are hardly available even though it is an emerging market. The lack of research in this field has encouraged Datuk Noripah, one of our esteemed members of the industry to document her findings and observations on investing in Islamic Funds, both from a local perspective and globally.

As such, we take this opportunity to recognise the contribution of our local subject matter expert in conjunction with the launch of the book.

A copy of the Programme is enclosed for your reference.

We hope that you could join us and kindly contact Ms. Zurin at 03 – 2093 2600 or fax no. 03 – 2093 2700 or email zurin@fimm.com.my to confirm your attendance.

Thank you.

Yours sincerely
