SUBJECT : SMS SERVICE TO INFORM CANDIDATES OF THEIR UNIT TRUST EXAM

In an effort to assist members/eligible persons to inform candidates of their unit trust exam, FMUTM is rolling out a SMS service on the 14, July 2008. Candidates will be informed through SMS of their exam details such as exam date, session time, exam number, centre, and location, the day after FMUTM approved their application.

Through the experience of others, we know that whenever a user's phone is out of range or turned off, the user will receive the SMS after the phone is within range or turned on. In the case of telco network having heavy SMS traffic or problem, the SMS will be delayed but eventually send out once the problem is fixed, normally within a few hours. And if there is a telco network interruption or maintenance, a notification will be send out by the telco to inform their subscribers, and the SMS eventually send out.

However, like all other technological services, there will be occasions whereby for some reasons, some candidates might not received the SMS. As this service is only meant to assist/complement the members/eligible persons in informing the candidates, it is the responsibility of members/eligible persons to put in other measures so that all candidates are informed of their exam details in time.

Please be advised accordingly. For further clarification, please call Yarti or Gary at 03-2093 2600.

Thank you.

Yours faithfully
