### **FIMM UNIT TRUST (UT) INTERNSHIP PROGRAMME 2024**

---

#### **1.0 BACKGROUND**

- 1.1 The Federation of Investment Managers Malaysia (FIMM) has embarked on a pilot initiative of a structured Unit Trust (UT) Internship programme FY2024.
- 1.2 This initiative aims to strengthen the branding of the Capital Market and Investment Management Industry in Malaysia, particularly in Unit Trust (UTS) and Private Retirement Scheme (PRS).

#### **2.0 FIMM UNIT TRUST (UT) INTERNSHIP PROGRAMME**

- 2.1 The FIMM UT Internship programme involves selected students from various universities locally and internationally being given the necessary exposure on FIMM's role as a Self-Regulatory Organisation (SRO) over a period of at least three (3) months. The students' internship allowances are covered by FIMM.
- 2.2 On the final week of the internship, students will be allocated an **attachment period of five (5) days with industry players**, gaining firsthand exposure to the operational and regulatory aspects of the business. This attachment is envisaged to be an enriching experience, contributing to the industry's branding efforts and expanding the talent pool to support business growth.
- 2.3 We would like to invite all industry members to be part of this exciting journey and together build a stronger brand recognition for the industry, widen the talent pool for the business and create sustainable employment opportunities and rewarding career for these students upon their graduation.
- 2.4 For those members who are interested to collaborate with FIMM and host the students during their industrial attachment, please contact Encik Shahrul

Azmani Ja'afar, Head of Human Resource and Administration at 03-7890 4242 (ext. 321) or email to [shahrul.azmani@fimm.com.my](mailto:shahrul.azmani@fimm.com.my) for more information.
