FIMM Virtual Examination

1. As part of our ongoing commitment to professional development within the investment management industry, the Federation of Investment Managers Malaysia (FIMM) had made significant strides in its role to conduct qualifying examinations for Consultants over the past few years. In 2021, we successfully transitioned from physical to virtual examinations, ensuring that candidates could continue their journey to becoming registered Consultants for promoting unit trusts (UTS) and private retirement schemes (PRS) products and services.
2. Building on this success, FIMM remains dedicated to supporting the industry in the recruitment and registration of new Consultants. Through our engagements with Members/ Distributors, we note that there are plans to expand your distribution force as well as enhance your product and service offerings.
3. To assist you in these efforts, FIMM can assist Members/ Distributors to arrange for examinations on their preferred dates or premises, subject to certain conditions. For such arrangements, please feel free to reach out to our Professional Development Services Department.
4. We strongly encourage Members/ Distributors to register their candidates to sit or re-sit for the examinations. Early registration is recommended as seats will be assigned on a “first come, first served basis”.
