GAZETTE ORDERS ON EXEMPTION OF UNIT TRUSTS FROM CAPITAL GAINS TAX (CGT) AND INCOME TAX ON FOREIGN SOURCED INCOME (FSI)

Following the announcement by the Finance Minister II to exempt the imposition of CGT as well as FSI on unit trusts, the Ministry of Finance has issued two exemption orders under the Income Tax Act 1967 (“ITA”) to provide relief to eligible unit trusts. These orders were gazetted on 19 September 2024:

- **Income Tax (Unit Trust) (Exemption) Order 2024** (“CGT Order”)
- **Income Tax (Unit Trust in Relation to Income Received in Malaysia from Outside Malaysia) (Exempt) Order 2024** (“FSI Order”)

We have summarised key points from several tax consultants' views on each order for Members and Distributors to take note of:

1.0 CGT Order [P.U.(A) 249/2024]

- a) Effective from 1 January 2024 to 31 December 2028, the CGT Order exempts qualifying unit trust resident in Malaysia from payment of income tax in respect of any gains or profits arising from:
- i. The disposal of shares of a company incorporated in Malaysia which is not listed on the stock exchange (“Unlisted Shares”); and
 - ii. The disposal of shares under Section 15C of the ITA (“15C Shares”).

[Note: Gains or profits received from the disposal of 15C Shares refer to the gains/profits on the disposal of capital asset which is a share of a controlled company incorporated outside Malaysia (“Foreign Co”) which shall be deemed to be derived from

Malaysia where at the date of acquisition of the shares of Foreign Co, the Foreign Co owns real property situated in Malaysia or shares of another controlled company (“RPC”) or both where the defined value of the real estate or shares of RPC or both is more than 75% of the value of the Foreign Co’s total tangible assets.]*

- b) The term “qualifying unit trust” is not specifically defined under the CGT Order, but it excludes unit trusts approved by the Securities Commission as Real Estate Investment Trusts or Property Trust Funds listed on Bursa Malaysia.
- c) The exemption applies to the “payment of income tax”, but the qualifying unit trust must still calculate the chargeable income from the disposal of Unlisted Shares and 15C Shares. Losses from the disposal of shares shall be allowed as a deduction in accordance with Sections 65E(5) and (6) of the ITA.
- d) The CGT Order also provides that the qualifying unit trust must still submit the return or statement of accounts or to furnish any other information under the ITA. In other words, the qualifying unit trust must prepare and submit the respective tax returns within the stipulated deadlines (i.e. within 60 days from the disposal). The current CGT Return Form requires the applicable Exemption Order to be referenced for any exempt disposal.

2.0 FSI Oder [P.U.(A) 250/2024]

- a) Effective from **1 January 2024 to 31 December 2026**, the FSI Order exempts qualifying unit trusts from the payment of income tax in respect of the gross income from all sources under Section 4 of the ITA which is received in Malaysia from outside Malaysia. As such the scope of this exemption includes all foreign-sourced income and gross income on disposal of capital assets arising from outside Malaysia.

[Note: With reference to Section 61(1)(b) of the Act, gains from realisation of investments (other than real property) are treated as income under Section 4(aa) of the Act from 1 January 2024.]

- b) Under the FSI Order, the term “qualifying unit trust” refers to a unit trust resident in Malaysia managed by a management company, and the qualifying unit trust has income received in Malaysia from outside Malaysia but excludes unit trusts approved by the Securities Commission as Real Estate Investment Trusts (REITs) or Property Trust Funds listed on Bursa Malaysia. The FSI Order also defines “management company”.
- c) The qualifying unit trust or the management company of the qualifying trust must meet with the conditions outlined by the Director General under Section 134A of the ITA, including:
 - i. The gross income of the qualifying unit trust has been subjected to tax of a similar character to income tax under the law of the territory which the income arises and the highest rate of tax of a similar character to income tax under the law of the territory which the income arises at that time is not less than 15%: or
 - ii. The management company of the qualifying unit trust employs an adequate number of employees in Malaysia and incur an adequate amount of operating expenditure in Malaysia.
- d) The FSI Order specifies that any deduction related to the exempted income shall be disregarded when determining the chargeable income of the qualifying unit trust. Consequently, the qualifying unit trust must identify expenses which are attributable to the derivation of the exempted foreign source income. Additional guidance is needed to clarify whether special deduction for expenses under Section 63B of the Act needs to be apportioned and allocated to the exempted foreign source income.
- e) Similar to the CGT Order, qualifying unit trusts under the FSI Order must continue to comply to the requirement to submit the return or statement of accounts or to furnish any other information under the ITA.
